VACANCY NOTICE

Senior Research Fellow (SRF) Position

A Senior Research Fellow (SRF) position is available in the field of Molecular Medicine, in the ICGEB-Emory Vaccine Program, for a DST sponsored project to work on understanding human immunity to dengue and chikungunya co-infections.

The project is funded for 3 years. Initially, this position is available for the six months and based on the performance of the candidate can be further extended.

Educational Qualifications:

M.Sc with two years research experience.

Candidates with background in the field of immunology / cell biology with hands on experience in flow cytometry will be preferred.

Interested candidates should submit their updated Curriculum Vitae with a detailed description of research experience by **10th Feb 2019**, addressed to Dr. Anmol Chande
